Volume 12

In twelve years through fellowship and friendship, we have experienced UNITY which has served as the primary source in attaining our paramount goal of loyal Husky pride and spirit. This goal exists through the many efforts of interested students and faculty. Without these major factors in helping to unite Huskyland, the goal of unity and understanding would be non-prevalent. As Huskies, we never settle for what we have become, but are always reaching for yet other dreams and new goals. We proudly proclaim to one and all

WE ARE NOT ONLY GETTING OLDER, WE'RE GETTING BETTER!

Mrs. Myrtle Hirschi Ledford

Mrs. Myrtle Hirschi Ledford continues to be keenly interested in students, faculty and activities of Hirschi High School. She can be seen at football games, drama productions, concerts, and in the hall as she visits us from time to time.

We honor Mrs. Ledford and are most appreciative of her interest in us and our school.

We look back upon a year of great accomplishment, fine sportsmanship, and a loyalty among our faculty and student body that cannot be matched or understated. Therefore, as we end our 12th year of upholding the respected Hirschi tradition, we realize, "We're not only getting older — we're getting better!"
